

2021 Enduring Fund Grant Applications

Chapel Hills United Church of Christ in Edina, MN is pleased to announce that we will be accepting applications for 2021 Enduring Fund Grants.

The Enduring Fund was established approximately 20 years ago by the church. Grants typically vary in amount and have ranged from a few hundred dollars to several thousand. While there is no specific requirement on what the grant can be used for, special consideration is given to applications that focus on specific projects versus contributions to general operating budgets. Applications are reviewed by a church committee and our council. Decisions are based on the quality of the submission, intended purpose and number of requests under consideration in conjunction with funds available that year for distribution.
